						Oct 24__

Creve Coeur Sailing Association 2010 Membership Form – due April 1, 2010

4. Member rules:

- A) Members are required to observe the rules and by-laws of the CCSA organization.
- B) Members who sail with CCSA must maintain their craft in a safe and properly registered status.
- C) Members are expected to participate in sailing events and operate their cars and boats in a safe manner.

5. Storage rules:

A) Storage fees must be paid in full by April 1. Any boat which has not paid will be asked to remedy the condition within 30 days of a formal notice. If not removed 30 days after a second formal notice the boat can be removed and sold for salvage.

B) One boat rental space is limited to a single trailer and a single boat. More than one boat can be on a trailer if approved by the boat storage committee.

C) There is a five mile an hour speed limit on boat rent storage property. Those not complying or not slowing at blind corners will be directed to remove their boat or boats from storage and will not be entitled to a refund or renewal. Anyone involved in an accident or who damages another member's property or the landlord's property must promptly report it to the Boatyard Coordinator or a CCSA board member.

D) The agreement is between the CCSA member renter and CCSA only. Questions regarding storage should be directed to the boat storage committee:

Dennis Bardle, Chairman
5860 Woodland Drive
House Springs MO 63051

Phone: 636-677-1123 email: flymale@sbcglobal.net

E) Members must notify the Boat Storage Committee in writing of the following:

- Change of address and phone number
- Permanent removal of boat or boats from storage
- State of registration of the boat that is in storage

F) Members who store boats with CCSA must participate in maintaining the property. Maintenance days will be set by the Boat Storage Committee. Members must appear on at least two boatyard days a year.

G) Boat storage is a privilege reserved for members who participate in club activities sailing on Creve Coeur Lake. Members must participate in one on the water event a year to maintain storage space at the CCSA boatyard. Unless precluded from sailing due to illness or other sound reason as determined by the committee rental will not be renewed for owners failing to sail one day a year.

H) Boats must be in a ready to sail condition. They should have inflated tires and working gear to enable movement for boatyard maintenance. Any boat which can not be moved will be asked to remedy the condition within 30 days of a formal notice. If not removed 30 days after a second formal notice the boat can be removed and sold for salvage.

I) The boat storage committee will maintain a waiting list for storage. A member's participation in CCSA regattas and activities will be considered along with ones position on the list when space becomes available. The committee decision on acceptance is final.

J) Subletting of storage space is prohibited.

K) Owners names must appear clearly marked on the trailer tongue.
